1- Read the text.

BRAZILIAN DAY FESTIVAL IN NEW YORK

The festival started in 1984 to celebrate Brazil's Independence Day. Nowadays more than 1.5 million people (Brazilians, Americans, Europeans, Asians and Africans) come to New York to participate in this big festival. Some people travel in group, by bus or plane, and other drive long distances.

Brazilian Day Festival is not only a party. It is also an opportunity to find out more about the Brazilian community in the U.S. On this day, Brazilians from all over the world get together to celebrate their culture and to share their love of Brazil, a country which is close to their heart.
